

EL BRIO VANNER

EBV Aida

Aida, by Charlie out of Feathers, is the sweetest filly we have at El Brio. She adores people, and is very gentle around other horses. She has been started under saddle, and is Futurity nominated. Her two older sisters, Rose and Revana, have a combined 3 Futurity Championships among them. She is very compact, and will not exceed 14 hands, so she would make a great children's or driving pony. With a double mane, and a very thick tail, she has inherited her sire's long locks. Aida has been started under saddle.
