

EL BRIO VANNER

EBV Beringer

Beringer is a black and white Gypsy Vanner gelding by Charlie out of Mariah. He is compact with a refined bone structure. With such great movement he would make a great dressage or driving horse, especially when paired with his full sister, EBV Piper. He is under saddle, and comfortable on trails, in Western and English tack. His full brother, Airwalker, has won the Dressage at Devon Gypsy Vanner IBC class twice. Beringer has been shown in both open and Gypsy Vanner halter classes.
