Mariah, by The Old Horse of Whales out of Hairy Mary, is a beautiful black and white 14.2hh imported mare. She has a wonderful temperament, correct conformation, and a massive amount of feathering with a thick, long mane and tail. Mariah was purchased for her conformation, color and temperament- all of which compliment our stallion, Charlie. And compliment him she does.

Airwalker, a 2006 colt, won the 2007 Dressage at Devon Gypsy Vanner breed class.

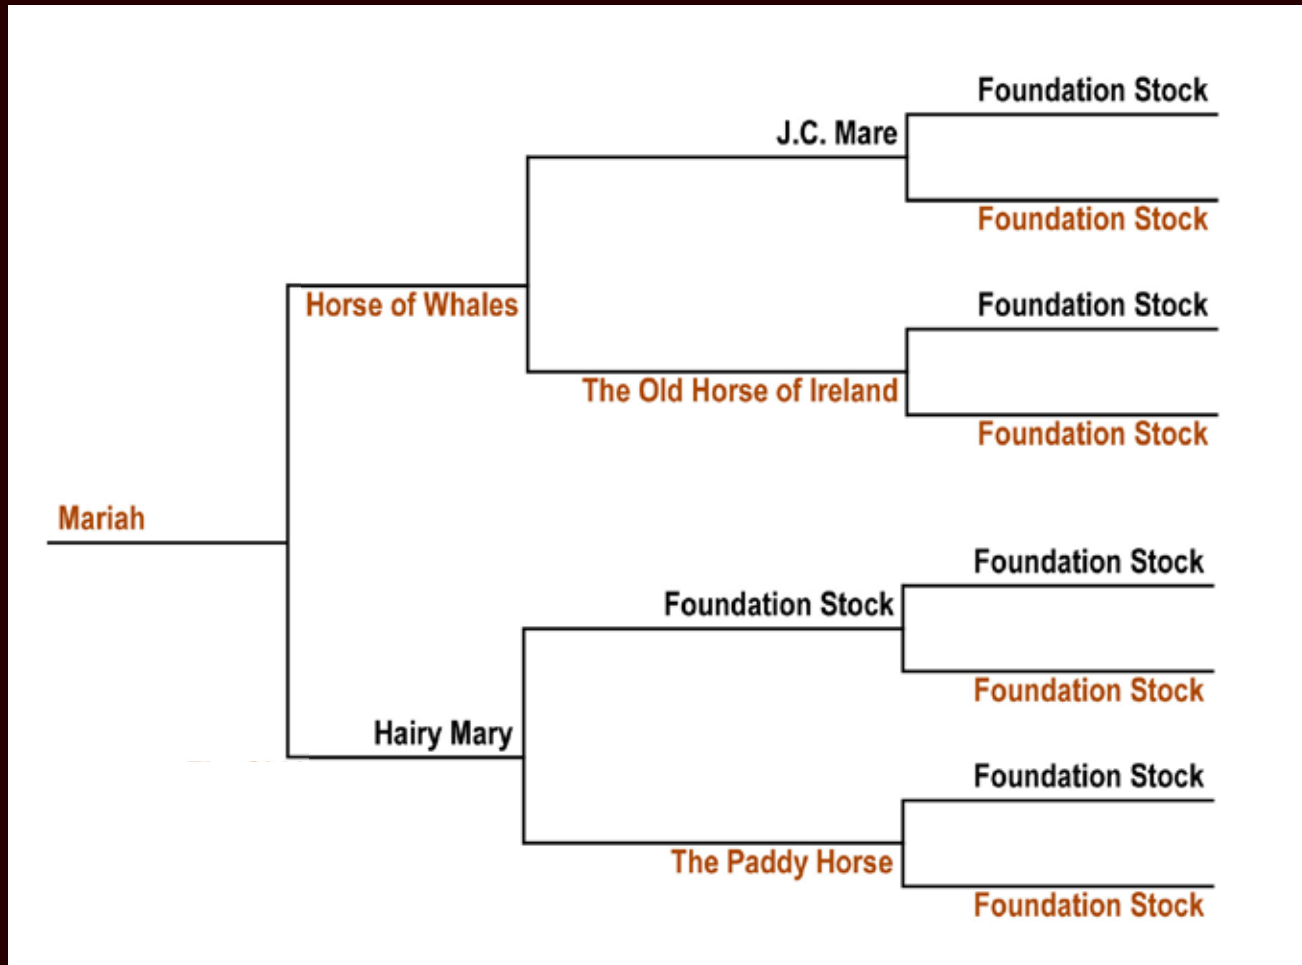

Her babies are correct in conformation, color and size with great movement. Mariah spent several months with Equine Extremist, Tommie Turvey, where she received training to be a body double in the movie *The Greening of Whitney Brown*. She is a great jumper and is fearless.

Mariah is in foal to Charlie, and due April 2011
