Mirabell is a beautiful black and white 14.2hh imported mare. She has a wonderful temperament, correct conformation, and a massive amount of feathering with a thick, long mane and tail. Mirabell was purchased for her conformation, color and temperament- all of which compliment our stallion, Charlie. And compliment him she does. Acacia, her 2005 filly, was the spokes-horse for the Gypsy Vanner Horse Society at the Massachusetts Equine Affair. All of her babies are correct in conformation, color and size with incredible movement. Mirabell has been featured on the cover of the Equine Journal and several calendars.

Mirabell is in foal to Charlie, and due May 2011
